As you may be aware ,there are currently more cats than dogs per household in the U.S. ,making them the most popular pet at the present time.In keeping with this, the Cat Fancier's Association maintains a great many breeder/members as well as clubs who fall under the parent organization's goals.

Black Tie and Tails Cat Club is one such club which every year puts on a show to promote the welfare of all cats. It's our goal to educate the public of the value of neuter/spay programs, proper care and nutrition as well as veterinary care of their pets. We have had great success each year thus far. It is hoped that your generous donation for ring sponsorship will help maintain our efforts.

Our Location for this show: Fitchburg Courtyard Marroitt, Fritchburg, MA. There is also now a Water Park at this location CoCo Keyes Water Resort. Plus the Wachusetts Mountain Ski Resort
